

MASTER SERVICES & DATA PROCESSING AGREEMENT

Contract Reference ID: MSA-2026-CMG-8842

Note for Pipeline Testing: This formal contract includes multiple target clauses (data encryption, retention limits, audit rights, liability limits) designed for ingestion, vector search, and automated risk scoring.

This **MASTER SERVICES AND DATA PROCESSING AGREEMENT** (the "Agreement") is entered into and made effective as of August 1, 2026 (the "Effective Date"), by and between **TechFlow Solutions Inc.**, a Delaware corporation having its principal place of business at 500 Enterprise Way, Suite 400, Wilmington, DE 19801 ("Client"), and **CloudMatrix Global LLC**, a Texas limited liability company having its principal place of business at 1200 Innovation Parkway, Austin, TX 78701 ("Vendor"). Client and Vendor may individually be referred to as a "Party" and collectively as the "Parties."

RECITALS

- **WHEREAS**, Client engages in commercial operations requiring secure, scalable cloud infrastructure and data processing capabilities; and
- **WHEREAS**, Vendor provides enterprise managed hosting, database processing, and IT infrastructure services to commercial clients; and
- **WHEREAS**, Client desires to retain Vendor to perform cloud hosting and automated data management services, and Vendor agrees to perform such services subject to the terms and conditions set forth below.

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. SCOPE OF SERVICES & INFRASTRUCTURE

1.1 Services Rendered. Vendor shall provide enterprise cloud server hosting, automated database backup management, and compute infrastructure services as further described in attached Statement of Work ("SOW") orders executed by both Parties.

2. DATA SECURITY, CLOUD STORAGE & ENCRYPTION

2.1 Data Storage Architecture. Vendor shall store and host all Client Data on third-party multi-tenant cloud storage servers located in regional data centers managed by Vendor.

2.2 Encryption Standards. Vendor will implement standard network transport security for data in transit. Encryption at rest for Client Data stored on cloud servers is optional and shall be provided only upon explicit written request from Client and subject to additional monthly infrastructure fees.

3. DATA RETENTION, AUDIT & LOG MAINTENANCE

3.1 System Log Retention. Vendor agrees to collect, retain, and store all operational access logs, audit trails, and proprietary transaction metadata associated with Client Data for a mandatory minimum period of twelve (12) years following the termination or expiration of this Agreement.

3.2 Compliance Audit Rights. Client or its designated independent auditor may request a remote security compliance audit of Vendor's administrative procedures strictly once every five (5) calendar years, provided Client submits a prior written request at least ninety (90) business days in advance. In-person physical facility inspections and real-time network penetration testing by Client are strictly prohibited.

4. LIABILITY, INDEMNIFICATION & RISK ALLOCATION

4.1 Limitation of Liability. To the maximum extent permitted by applicable law, Vendor's total cumulative aggregate liability arising out of or related to this Agreement, including claims for data security breaches, data loss, or service outages, shall be strictly capped at a maximum of Five Thousand US Dollars (\$5,000.00), regardless of the cause or legal theory asserted.

5. CONFIDENTIALITY & NON-DISCLOSURE

5.1 Obligation of Confidentiality. Each Party agrees to protect the Confidential Information of the other Party with the same degree of care that it uses to protect its own proprietary information of like nature, but in no event less than reasonable care.

6. TERM & TERMINATION

6.1 Duration. This Agreement shall commence on the Effective Date and continue for an initial term of three (3) years, automatically renewing for successive one-year terms unless terminated with 60 days written notice.

IN WITNESS WHEREOF, the Parties hereto have caused this Master Services and Data Processing Agreement to be executed by their duly authorized representatives as of the Effective Date.

FOR CLIENT:

TechFlow Solutions Inc.

FOR VENDOR:

CloudMatrix Global LLC
